

Complaints, Compliments or Suggestions

What to do if you have a complaint or wish to provide us with feedback

Your feedback is important to us

At St.LukesHealth, we strive at all times to provide you with competitive products, open communication and the very best in customer service. We also realise there may be occasions when we may not fully meet your expectations or we may not be able to totally satisfy your requirements. We always try to make such occurrences few and far between, however if they do occur, we would like to know.

St.LukesHealth therefore values your feedback. If you have any comments about your cover or the service we provide we would like to hear from you. The Customer Feedback Form included with this brochure can be used to provide valuable feedback to management and staff at St.LukesHealth. We have also listed below the steps to take if you have a complaint or issue that has not been fully resolved to your satisfaction.

Resolving your complaint

We will always try and resolve your complaint to the best of our ability and in a timely manner. If you do have a complaint we recommend taking the following steps.

1. Talk to a Customer Care Consultant about your concern at one of our Customer Care Centres or by phoning 1300 651 988. If they are unable to assist you, they will refer your enquiry to a specialist or manager. Alternatively, you can ask to speak directly to a specialist or manager.
2. If you are not satisfied with our response please provide us with your complaint in writing by completing the Customer Feedback Form or by sending us a letter. You can request a reply by indicating this on the Form. Our staff can help you with the Form or take down the details for you if you prefer. We will then respond to your complaint in writing.
3. If at anytime you are not satisfied with how we have dealt with your complaint, you can obtain independent advice from the Private Health Insurance Ombudsman. These services are free to health fund members and are available from:

This helps us in encouraging our Customer Care Team and provides job satisfaction in the workplace, which will rebound as even better customer service to you, our member.

The attached form can be completed to register a complaint, compliment or suggestion. All feedback received, including complaints, are viewed by management. Please send the completed form to St.LukesHealth, PO Box 915, Launceston TAS 7250.
